	<p>Gov. Pritzker announced a new framework called the Bridge Phase to move the state from its current Phase 4 rules to Phase 5. To reach the Bridge Phase, 70% of residents 65 and older must be vaccinated, among other metrics. Capacity limits on many businesses will increase to 60%. Once 50% of residents 16 and older have been vaccinated and stable or declining COVID-19 metrics are recorded during a 28-day monitoring period, Phase 5 will be implemented, removing capacity limits altogether. The state will move to Bridge Phase on May 14.</p> <p>Read more: https://coronavirus.illinois.gov/s/bridge-phase Read more: https://coronavirus.illinois.gov/s/restore-illinois-mitigation-plan Tier 3 Read more: https://www2.illinois.govTier_2_COVID-19_Resurgence_Migitations.pdf Read more: https://coronavirus.illinois.gov/reopening_plan</p>
Indiana	<p>Indiana is operating under a color-coded system to keep everyone informed about the status of COVID-19 in each county. The ISDH will update each county’s status at least weekly.</p> <p>Blue: The county has low community spread (0.5 or below) Social gatherings of any kind, indoor or outdoor, are limited to 250 people. Social gatherings may be greater than 250 and operate at full capacity as long as safely measures are followed.</p>
