

Ice Miller's Data Security and Privacy Practice includes lawyers with **hands on, real-world technology experience** and **industry certifications**. Our legal team has over **two decades** of pre-law systems, network, security engineering and software development experience in both the public and private sectors.

Ice Miller was ranked a Cybersecurity Standout in Litigation in the BTI Cybersecurity & Data Privacy 2020: Leading-Edge Insight & Strategy for Law Firms.

We can speak to your highest skilled engineers to mitigate risk before it becomes a legal problem.
